

Icon Painting Workshop

CHRIST EMMANUEL

Australian Catholic University (ACU) ART SPACE
26 Brunswick Street, Fitzroy, Melbourne, (Victoria)

16 - 20 JANUARY 2017

Course description: With deepest love and respect to traditional iconography our icon painting workshops are put up to introduce students to the practice of it's visual language, sometimes called **Canon** or **Theology in color**. Even though old Christian mosaics, frescoes, icons and miniatures are all different, they have very similar inner values, revealed individually in every single image.

The goal of our whole teaching process is to inspire and to open the horizon, so that our students may continue their practice and education after the workshop.

Instructor: Philip Davydov and Olga Shalamova (Saint Petersburg, Russia), professional iconographers working in Sacred Murals Studio.

Registration fee - \$80 , full cost: \$680
(Necessary instruments and materials included).
